JIMMY GERKEN

Every child learns life lessons on the playing field or stage, where lasting friendships are formed and the values of teamwork, fair play, and commitment to achieve one's personal best can be experienced.

No one exemplified these values better than Jimmy Gerken. The self-appointed manager of every EGR team and biggest fan of every performance, Jimmy was a caring friend to everyone fortunate enough to meet him.

THE JIMMY GERKEN FUND

The Jimmy Gerken Fund was established to remember Jimmy and his values for human dignity, while ensuring that EGR athletics and co-curriculars—the activities Jimmy loved most—remain an integral part of our students' education by providing enhancements that are not possible in the general school district budget. With this fund, our students will continue to experience personal excellence, just as Jimmy would have wanted.

The Gerken Open proceeds support The Jimmy Gerken Fund, Kabookie Week, and current athletic department needs. We ask you to join us in supporting all that Jimmy stood for: compassion, competition, and doing one's personal best.

EGR TEAM BOOSTERS

The goal of the EGR Team Boosters is to support ALL athletic programs in our district. Our all-volunteer board is dedicated to making athletics an easy choice for our students. Lifelong relationships made through athletics can be an integral part of the educational process.

The EGR Team Boosters is proud to support our student athletes by raising funds for:

- Strength and conditioning program
- Uniforms, equipment, and supplies
- Sports injury prevention and support

EGR Team Boosters needs both your financial and volunteer support to continue our excellence in school spirit and participation.
