## DISTRICT PROGRAM SUPPORT GRANT REQUEST

**District Program Support Grants** - The Foundation recognizes the ongoing need to support current, new or innovative programs and projects that the District is unable to initiate or maintain due to budget constraints. This support can be one-time or multi-year support. Examples of District Program Support Grants include, but are not limited to, funds to cover program materials, personnel for programs and innovative district-wide projects. Grant requests are accepted in May and require full East Grand Rapids Schools Foundation board approval. Due dates for these requests will be set annually by the East Grand Rapids Schools Foundation.
