“It’s a Beautiful Morning” Social

Our Hosts are Chuck & Susan (Tucker) Cady

Meijer Gardens & Sculpture Park is one of “THE” botanic destinations in the US. And just think, this world class jewel did not even exist when we graduated in 1966!

We will meet for coffee at the Cafe. Lots of quiet tables. This is a great place to reconnect with classmates & spouses. Time to engage before taking in Dale Chihuly’s glass art installation.

Weather permitting Meijer Gardens has something for everyone. There is a narrated tram ride (\$8) that allows you to see the park in 25 minutes. To learn more go to **www.meijergardens.org**.

Your Meijer Gardens or reciprocal Botanical memberships will be honored with proof of membership to help defray costs. Thank you to the Cadys for underwriting this event.

REUNION CHOICES to Include YOU!

For some Classmates, this 2-nite, 3-day extravaganza might be a bit much. Family & friend commitments, football games previously on the calendar. You know the drill.

Well, this is the "Original A La Carte Weekend"! Already have plans for Saturday? Come to the Friday Cookout or vice versa!

We REALLY want to accommodate anyone who is "on the fence" for any reason. After all not only have we finally "grown up", but how many more reunions might there be? Just sayin.....

Need a Hotel?

We have a special pricing block less than 5 miles from all events.
